Mentor/Mentee Game

January 9, 2016

We are holding our first Mentor/Mentee Game of the New Year on January 9, at 12:30. Registration and pairings will begin at 12:00 and the game should finish between 3:00 and 3:30. For those of you not familiar with Mentor/Mentee games, persons with 20 points or fewer will be paired with players who have 125 points or more. This is a time for some of the less experienced players to enjoy playing with more experienced players to broaden their knowledge and give them a positive experience. There is a signup sheet at the bridge center. Please come and support this time to help advance players in this game we all love. Mentors Play FREE! There will be **NO regular Open game** on this day.
